

ANGELA D. BLAKEY, MPSYCH

PROFESSIONAL EXPERIENCE

WELLBEING & EQUITY INNOVATIONS

Project Manager

11/2025 to present

- Manage project operations, supervise staff, ensure compliance with protocols, and manage strong community partnerships to assist justice and community partners with transforming their systems.
- Coordinate outreach efforts including presentations, reports, and site visits.
- Facilitate meetings, coordinate across teams, and manage communications with internal and external partners
- Supervise employees as assigned
- Maintain accurate and organized data records for programmatic, research, and administrative activities.

INDY HEALTHNET HOMELESS INITIATIVE PROGRAM

Case Management Supervisor

10/2024 to 10/2025

- Supervise and support staff working with individuals experiencing chronic homelessness, substance use, severe mental illness, and trauma.
- Conduct clinical case reviews, guide mental health screening referrals, and ensure trauma-informed practices are consistently applied.
- Use behavioral patterns, client disclosures, and team input to inform non-clinical assessments and service coordination.
- Partner with health professionals, legal advocates, and housing providers to stabilize clients through individualized service plans.

FAMILY PROMISE OF GREATER INDIANAPOLIS

Program Manager

02/2023 to 10/2024

- Conducted intake assessments and developed individualized care plans.
- Addressed housing, mental health, and social service needs with clients.
- Delivered trauma-informed coaching and mental health stabilization planning to families, often navigating PTSD, domestic violence, and crisis displacement.
- Used psychological insight to evaluate needs and barriers, shaping targeted referrals and behavioral interventions.
- Researched community needs and contributed to policy/funding proposals.

ANDERSON COMMUNITY SCHOOL CORPORATION

Behavior Specialist

08/2022 to 02/2023

- Facilitated behavior intervention strategies for at-risk youth.
- Supported staff in classroom crisis prevention and resolution.
- Collaborated with interdisciplinary teams to align student support plans with behavioral goals.

INDIANA DIVISION OF MENTAL HEALTH & ADDICTION

Project Director

02/2022 to 08/2022

- Directed statewide crisis and diversion initiatives for youth.

- Built relationships with diverse communities and led inclusive planning.
- Led interagency teams in trauma response design, building frameworks that integrated psychological first aid, risk triage, and culturally competent care strategies.
- Developed proposals to expand equitable mental health access.

INDIANA DEPARTMENT OF CORRECTION

Assistant Director

09/2020 to 02/2022

- Led strategic collaborations with agencies to expand reentry services for justice-involved youth.
- Advised on system upgrades and contributed to policy and procedural development.
- Oversaw division-level projects aimed at improving behavioral health and educational outcomes for incarcerated youth.

INDIANA DEPARTMENT OF CORRECTION

Institutional Teacher

08/2019 to 09/2020

- Facilitated educational and behavioral programs with a focus on life skills and career readiness.
- Adapted curriculum to meet the diverse needs of youth with behavioral and learning challenges.
- Created a supportive learning environment to promote emotional regulation and academic growth.

INDIANA DEPARTMENT OF CORRECTION

Policy Manager

07/2018 to 08/2019

- Developed institutional policies and evaluated programs for regulatory compliance and effectiveness.
- Conducted audits and presented data-driven recommendations to improve service delivery.
- Engaged in interdepartmental planning to align procedures with statewide juvenile justice reform.

INDIANA DEPARTMENT OF CORRECTION

Psychiatric Social Service Specialist

09/2016 to 07/2018

- Conducted reviews of social, mental health, and criminal histories to inform individualized care planning.
- Coordinated reentry support and mental health services for incarcerated youth.
- Provided crisis intervention and advocacy services in collaboration with facility staff and clinicians.

INDIANA DEPARTMENT OF CORRECTION

Executive Assistant

01/2014 to 09/2016

- Managed executive operations, supported policy development, and coordinated cross-functional teams.
- Facilitated communication and scheduling between leadership, facility staff, and external partners.
- Oversaw project timelines, documentation, and logistics for division initiatives.

INDIANA DEPARTMENT OF CORRECTIONS

Transition Coordinator

08/2012 to 01/2014

- Built partnerships with community organizations to support post-release transitions.
- Delivered employment readiness workshops and reentry compliance monitoring.
- Coordinated service referrals and tracked progress toward reentry goals.
