

SHEREIA HARPER, MBA

Professional Experience

Wellbeing & Equity Innovations- Atlantic City, NJ

Program Specialist | Nov 2025- Present

Delivers services for adults and juveniles as part of a violence interruption & diversion effort for the Alternative Prosecution for Positive Outcomes (APPO) program. The APPO program is designed for individuals who are justice-involved either due to facing a charge or are on probation and meet certain program eligibility around charge-type.

- Collaborates with prosecutors, justice agencies, and community service to ensure eligible participants are referred appropriately.
- Delivers services to individuals in the violence interruption and diversion program.
- Delivery of programming and services in person and over virtual platforms.
- Contacts, schedules, and coordinates appointments with participants.
- Use motivational engagement techniques to support, encourage, and retain participants in programming and services
- Interacts with designated members of participant families and/or social circle to support overall well-being and program success.

AmeriHealth Caritas – Philadelphia, PA

Service Coordinator | Mar 2023 – Oct 2025

- Lead participant-centered planning and service delivery process across healthcare, behavioral health, housing, and social services.
- Conduct assessments to evaluate participant needs and coordinate long-term services and supports (LTSS).
- Maintain relationships with Keystone and AmeriHealth Caritas leadership to align care coordination with population health goals.
- Advocate for families by connecting them with education, resources, and referral services.

CDC Foundation – Trenton, NJ

Regional Team Lead | Jun 2021 – Jun 2023

- Directed COVID-19 testing initiatives across 6–9 counties in New Jersey in collaboration with the NJ Department of Health.
- Negotiated and managed vendor contracts, streamlining operations and ensuring compliance with state health standards.
- Partnered with K–12 districts to implement on-site testing programs, improving health and workforce continuity in schools.
- Collaborated with management team to implement policies and mitigate operational challenges, increasing program efficiency.

Multi-Therapy Services, Inc. – Collingswood, NJ

Director | Jun 2019 – Jun 2021

- Directed organizational development activities including hiring events and fundraising efforts, achieving annual and long-term financial goals.
- Oversaw program activities including advocacy, outreach, clinical support, and direct care for families of children in out-of-home placements.
- Developed vendor and government partnerships with DCP, DCF, and CSOC, increasing funding and program reach.
- Consulted with Camden Mayor and local officials to implement mental health initiatives in schools, addressing community needs.

Oaks Integrated Care – Mount Holly, NJ

Program Supervisor | Jun 2017 – Jun 2018

- Supervised 15–25 staff including clinicians, case managers, and counselors to ensure effective program operations.
- Managed \$100K+ program budget, ensuring fiscal accountability and resource optimization.
- Implemented operational improvements, increasing program effectiveness and quality of service delivery.
- Strengthened partnerships with community stakeholders, expanding program engagement and outcomes.
